Syllabus Year: 2024-2025

CHRIST (Deemed to be University), Bengaluru - 560029

End Semester Examinations - November 2024

Bachelor of Computer Applications SEMESTER - III

Course Code: BCA101-3 **Max Marks: 100**

Course Name: FINANCIAL ACCOUNTING **Duration: 03:00**

General Instructions:

- All rough work should be done in the answer script. Do not write or scribble in the question paper except your register number.
- Verify the Course code / course title and number of pages of questions in the question paper.
- Make sure your mobile phone is switched off and placed at the designated place.
- Malpractices will be viewed very seriously.
- Answers should be written on both sides of the paper in the answer book. No sheets should be detached from the answer book.
- Answers without the question numbers clearly indicated will not be valued. No page should be left blank in the middle of the answer book.

Course Outcome: Students will be able to:

CO1: Demonstrate proficiency in recording business transactions by journalizing entries, posting to the ledger, and preparing a trial balance, using appropriate accounting principles

CO2: Analyze different types of cash books and transactions involving cash and trade discounts, solving problems related to the three-column cash book.

CO3: Prepare comprehensive final accounts, including adjustments, to evaluate a company's financial position and performance.

CO4: Evaluate the accuracy and completeness of accounting records by preparing and interpreting a trial balance, identifying and rectifying any discrepancies.
